Thank you to our Event Partners (listed above) for supporting the MiSCA Race Series! These organizations provide pre-race course support, day-of volunteers, and/or financial assistance.

Awards are presented at each race for the top five (5) students in each category and the top overall team. Individual and Team State Championships are awarded at the Michigan Scholastic Championship, based on Series performance. A student must compete in three (3) races to be eligible for Series awards; only the four (4) best finishes will be counted for points.

NEW TO 2016 - No USAC requirement! MiSCA is no longer associated with USA Cycling. Registration process will be available at www.miscabike.org/events. All events are open to any student. No club sponsorship or team membership is required to participate.

The Michigan Scholastic Cycling Association is a 501 (c)(3) charitable non-profit organization and relies 100% on donations and sponsorship. All persons involved are volunteers and all monies received are returned to the organization and are used for race materials, promotions, and club organization.
