MiSCA is a 501(c)(3) non-profit focused on the coordination of youth mountain biking teams and races throughout Michigan.

MiSCA Michigan Scholastic Cycling Association

The Michigan Scholastic Cycling Association works to establish and maintain safe, quality scholastic cycling programs.

The Association is responsible for establishing a program that will:

- Provide support to schools and organizations wishing to establish scholastic cycling clubs and teams.
- Develop and maintain an inter-scholastic competition series to promote the sport of cycling and allow kids to build fitness and compete in a healthy, outdoor environment.
- Promote the value of cycling to our youth and community as a mode of transportation and as a lifelong sport.

$ Financial aid is available if cost is a concern.

MiSCA is increasing the participation of girls in the sport with female-focused events and a commitment to equality throughout. MiSCA served more than 350 students in 2018, organizing youth-only clinics, camps, and mountain bike races across the state.

MiSCA COACH CERTIFICATION PROGRAM

LEVEL 1: SUPPORT
background check, concussion training

LEVEL 2: RIDE LEADER
+first aid and CPR certification, ride guide clinic

LEVEL 3: SKILLS COACH
+basic mountain biking skills clinic

Our 150 certified coaches are the backbone of MiSCA and are dedicated to the future of youth cycling in Michigan. What could be better than volunteering while riding bikes?

Merrell Park MTB XC Race

#6 OCT 13 NEWTON TIMING
Bloomer Park MTB XC Race

Welcome to the only mountain bike race series dedicated to kids in Michigan! These youth-only races are for elementary, middle, and high school-ages. No team affiliation is required – students can participate as individuals. Courses are designed and modified to fit all ages, rider ability, and skill levels, with at least 17 categories of competition available at each race.

Visit www.MiSCAbike.org/register to sign up for MiSCA and choose which races to attend. If cost is a concern, apply for financial assistance at www.MiSCAbike.org/scholarship.

Awards are presented at each race for the top five (5) students in each category and the top overall high school and middle school teams. State Championships are awarded to individuals and teams at the final race, based on performance in the D&D Bicycles MiSCA Race Series.

THANK YOU TO OUR TOP SUPPORTERS
