- All registrants must use their legal name.
- Three (3) email addresses can be added to the account. If you have a child in the League and would like your child and/or spouse to receive emails from team coaches and MiSCA, please add their email address to the account.
- Receive urgent text updates from your coaches or MiSCA via \*easyAlert. To activate this service, you must “opt-in”.
- You will be required to add a photo image to your profile if you don’t already have one. Your image will be visible on the team roster for parents, riders and other coaches to see which can be helpful. This photo will also be used on your Coach License card.
